# 1Big Data

# 2Computer Vision

# 3C++

## 3.1 Theoretical Part

### Inheritance

Write down an example inheritance class

---

```
class C: public D {  
};
```

```
class B: public D {  
};
```

```
class A: public B, public C {  
};
```

---

### Key-Words

### General Concepts

### Testing

## 3.2 Practical Part

# 4Deep Learning

# 5Machine Learning

## **6Natural Phenomena**

# 7Terminal
